Overview

PRINCE2® (Projects IN a Controlled Environment) is a leading edge approach to managing projects. With the launch of PRINCE2® also came its recognition as the *de facto* standard for managing projects, not just in the IT/IS environment, but for projects of any size and complexity, run in any industry sector.

In support of this recognition, SureSkills offer a certification programme accredited by Axelos. SureSkills as an ATO are accredited to run the PRINCE2 Foundation. This course conforms to the syllabus set down by Axelos for delegates wishing to gain PRINCE2® Foundation certification. SureSkills as an ATO is accredited to deliver the full PRINCE2® accreditation programme.

Objectives

Instructor-led, group-paced, classroom-delivery learning model with structured hands-on activities. The course has a significant aspect of syndicate work in a case study environment; to give a sound understanding of project based work according to PRINCE2®. The course also prepares the candidate for the examination, which leads to the Foundation Certificate in Project Management, administered SureSkills, PeopleCert & Axelos.

This is a three day course leading to the PRINCE2® Foundation Examination which takes place on the final day.
