Upgrade to PRINCE2 7th Edition for a better, more efficient project management experience!

Introducing PRINCE2 7th Edition – the latest and improved version of the world’s leading project management method! This update brings best practices to a whole new level, aligning with the demands of the digital age. By incorporating the latest processes, tools, and technologies, PRINCE2 7th Edition ensures that managing successful projects remains at the forefront of efficiency and your certification remains relevant and valuable.

What’s different in PRINCE2 7th Edition?

- **People Management Focus:** Recognizing the pivotal role of human capital in project success, PRINCE2 7th Edition emphasizes people management as a central focus.
- **Enhanced Flexibility:** Customization is key! PRINCE2 7th Edition allows for greater flexibility, adapting to the unique requirements of each project across various sectors.
- **Digital and Data Management:** In the digital era, staying up-to-date is crucial. PRINCE2 7th Edition equips you with the latest tools for effective digital and data management.
- **Sustainability Integration:** Align your projects with environmental and social responsibility goals. PRINCE2 7th Edition now incorporates sustainability into project performance.
- **Compatibility with Agile, Lean, and ITIL®:** Enhance overall project performance by seamlessly integrating with Agile, Lean, and ITIL® methodologies.
- **Accessibility for All Professionals:** Whether you’re an aspiring or experienced project manager, PRINCE2 7th Edition is designed for you. It uses simplified language and content, making it more accessible to professionals across the board.
- PRINCE2 7th Edition has also developed a PRINCE2 7th Edition AI Practice Guide, exclusively available on your PeopleCert membership portal when you register for the exam.
